

# Band Weaving Backstrap --- Sewing instructions

**Sew bands to selvedges of your beautiful handwoven back piece**  
*bands should be 3.5 cm (1 1/4")*  
*(weave a round band with flat ends for one side)*

**Fold down the corners as shown and stitch around all of the folded edges approximately 1/4" from the edge**

**Cut leather piece to fit on back side**

**Top stitch leather onto back side close to the edge**

**Thread flat band into male clip as shown**  
**Sew female clip to flat end of round band**

**The finished back strap belt**  
**happy weaving!**
